JOHNSTOWN, PA

The WVIAC

*I chose*  
Division II

Founded in 1924, the West Virginia Intercollegiate Athletic Conference (WVIAC) rates as one of the oldest leagues at the small-college level. The 16-member conference currently boasts the largest membership of any NCAA Division II league.

The current membership includes Alderson- Broadus College, Bluefield State College, University of Charleston, Concord University, Davis & Elkins College, Fairmont State University, Glenville State College, Ohio Valley University, Salem International University, Shepherd University, West Liberty State College, West Virginia State University, West Virginia Wesleyan College and Wheeling Jesuit University. The University of Pittsburgh at Johnstown and Seton Hill University joined the WVIAC for the 2006-07 season. Pitt Johnstown and Seton Hill are the WVIAC's first out-of-state members since 1932.

The WVIAC moved into the NCAA Division II ranks in 1994 after a long affiliation with the NAIA. The conference was the only one in Division II to place a team in the national quarterfinals in men's basketball, football and baseball during the 1998-99 academic year. In 2002 the WVIAC, along with two other conferences, became the first league to earn four bids to the NCAA Division II Men's Basketball Championship.

Commissioner Barry Blizzard, who has held the post since 1987, led the move into the NCAA. Blizzard, a native of Bramwell, West Virginia, previously served as the athletics director at Bluefield State. The long-time conference chief has served in a variety of national leadership positions, including a stint as president of the Division II Conference Commissioners' Association. He is currently the chairman of the NCAA Division II Nominating Committee.

Alumni of conference members include West Virginia State's Earl Lloyd (the first African-American to play in the National Basketball Association), Salem International's Cecil Underwood (two-term West Virginia governor) and Wheeling Jesuit's John Beilein (current Michigan men's basketball coach).

The conference's basketball tournament is one of the longest-running events in collegiate hoops; the 72nd annual event was held earlier this year at the Charleston Civic Center. Attendance at the WVIAC tournament ranks among the highest in Division II. The conference also boasts a 10-station radio network for the tournament.

Women's sports were incorporated into the WVIAC during the 1981-82 academic year as the West Virginia Intercollegiate Athletic Association was absorbed. Currently, women's championships are offered in softball, golf, tennis, track, basketball, volleyball, cross country and soccer.

Men's championships are conducted in football, cross country, soccer, basketball, baseball, golf, tennis and track.

The league was recognized by the State Journal as one of "55 Great Things About West Virginia" in the magazine's April 2007 edition. The WVIAC is headquartered in Princeton, W.Va.
